## 1.0 RESPONSIBILITIES

1.1. **Provider Responsibilities:** Upon completion of the imagery acquisition, signed Interlocal Cooperative Agreement with the Customer, and signed Authorized Subdivision / Authorized Users License Agreement for Pictometry Imagery (Exhibit C) by Customer, the Provider agrees to furnish the Customer the following products and services:

1.1.1. Delivery of a portable USB hard drive containing all the licensed Pictometry products which shall include the image library.

1.2 **Customer Responsibilities:** Upon completion of the imagery acquisition, signed Interlocal Cooperative Agreement with the Provider, and signed Authorized Subdivision / Authorized Users License Agreement for Pictometry Imagery (Exhibit C) by Customer, the Customer agrees to the following:

1.2.1. To comply with this Interlocal Cooperative Agreement and the License Agreement between Whatcom County and Pictometry per the Authorized Subdivision / Authorized Users License Agreement for Pictometry Imagery (Exhibit C).

1.2.2. Designate one employee as a liaison between the Provider and the Customer as a single point of contact for disseminating information to the Customer's end users. The designated Liaison and their contact information shall be reported to the Provider.

## **2.0 SERVICE CONDITIONS AND DATA LIMITATIONS**

- 2.1 Acceptance of Completed Work:** The Provider's contract with Pictometry to acquire imagery is scheduled for the Spring of 2022 with the understanding that the imagery shall be captured with less than 30% leaf cover. Imagery acquisition is contingent on favorable weather conditions and aircraft availability. When the image acquisition and processing is complete, Provider, with input from the Whatcom Region GIS Imagery Partnership, will evaluate the overall dataset for acceptance with Pictometry. Once the Provider has received and approved the Pictometry products, a copy of the accepted Pictometry products shall be created on a portable USB hard drive and delivered to the Customer. The Customer has 30 calendar days to inspect the USB hard drive and notify provider of any product errors, omissions, flaws, or incomplete work. Provider will review the original accepted dataset for any problems identified by the Customer and provide a new copy of the original accepted dataset if differences are identified. If no errors are brought to the attention of the Provider within 30 calendar days, the product delivery to Customer shall be considered complete.
- 2.2 Product Archival and Retention:** Provider is not responsible for the backup, retention, or archive of products provided to the Customer. In the event the Customer receives a public records request for information or intellectual property belonging to Pictometry, within five days of receiving such request and prior to providing any materials to the Requestor, the Customer will notify both the Provider and Pictometry of such request for information and will make attempts to provide Pictometry with adequate time to seek a protective order under applicable law. Customer shall clearly mark all confidential or proprietary documents.
- 2.4 Data Limitations:** The Provider makes no warranty, expressed or implied, concerning the Pictometry products content, accuracy, currency or completeness, or concerning the results to be obtained from queries or use of the data. All Pictometry products are expressly provided as is and with all faults. The Provider makes no warranty of fitness for a particular purpose, and no representation as to the quality of any Pictometry products. No employee or agent of the Provider or the Customer is authorized nor may waive or modify this paragraph.
- 2.5 Spatial Accuracy:** Electronic spatial data can be printed or represented at various scales other than the original source of the data. Customer is responsible for adhering to industry standard mapping practices, which specify that data utilized

### **3.0 DATA LIABILITY AND INDEMNIFICATION**

- 3.1 Liability:** Provider, its elected or appointed officers, employees or agents shall not be liable to Customer (or transferees or vendees of Customer) for damages of any kind, including lost profits, lost savings or any other incidental or consequential damages relating to the providing of the data or the use of it. Customer shall have no remedy at law or equity against the Provider in case the data provided is inaccurate, incomplete or otherwise defective in any way. Customer's only remedies are those specified in this agreement. Provider is supplying this information in good faith and Customer agrees to hold Provider, its elected or appointed officers, employees or agents harmless for any liability incurred as a result of using Pictometry products under this agreement.
- 3.2 Indemnification:** Customer agrees to defend, indemnify and hold harmless Provider, its elected or appointed officers, employees or agents from any and all claims, judgments, settlements, attorney's fees or any costs by reason of any and all claims and demands made against Provider, its elected or appointed officials, or employees, for all damages or loss sustained by any person or persons including third parties, unless such loss or damage is due to the sole gross negligence of Provider, its elected or appointed officers, employees or agents. It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein.
- 3.3 No Joint Venture or Partnership:** It is understood and agreed that this Agreement is solely for the benefit of the parties hereto and gives no right to any other party. No joint venture or partnership is formed as a result of this Agreement.
- 3.4. Non-Conforming Service Remedy:** For any services which fail to conform to the specification of this Agreement, and such failure is caused solely by the negligence of Provider, no charge will be invoiced. If both parties are negligent, they agree to apportion cost between them to the damage attributable to the actions of each.
- 3.5. Equipment Damage:** For any equipment damaged as the result of negligence by either party, that party will be obligated to pay for repair or replacement of that equipment. - 5.1 **Pictometry Product Fees:** The Provider is making Pictometry products available to Authorized Subdivisions / Authorized Users identified in Page 17 paragraph 5 of Whatcom County Contract #202111037. The Customer is identified as an Authorized Subdivision / Authorized User and therefore is eligible to cost share Pictometry products with the Provider (subject to the requirements outlined in Paragraph 2.1, Acceptance of Completed Work, of this agreement). A tiered fee structure has been established to provide a simple and equitable cost plan for the cost sharing of Pictometry products for the Whatcom Region GIS Imagery Partnership. The Customer shall pay a total of \$7,423.00 to use Pictometry software, imagery and Pictometry Connect online subscription, if applicable. The cost of future software updates and technical support is not covered by this agreement.
- 5.2 **Pictometry Connect Subscription Fees:** Pictometry provides multiple methods to access the aerial image library. This includes EFS software as well as Pictometry Connect web access. EFS is included with the Pictometry Product Fees in Paragraph 5.1. The Customer has selected a three-year subscription of Pictometry Connect online as described in Exhibit D "Pictometry Connect Online Subscription" for a cost of \$143.00, which is included in the Pictometry Product Fees in Paragraph 5.1.
- 5.3 **Pictometry Payment Dates:** The first payment of \$3,711.50 is due one month after the Customer has received the Pictometry imagery. The second payment of \$3,711.50 is due no later than one year after the first payment due date.
- 5.4 **Lower Project Costs:** The primary intention of this Interlocal Cooperative Agreement is to develop partnerships and work cooperatively with other agencies in order to reduce project costs and eliminate duplication of services. In the event that the project costs are lower than expected, an equitable proportioned credit will be applied to the Customer's second year payment.
- 5.5 **Refunds Due to Uncaptured Areas:** Pictometry shall use commercially reasonable efforts to capture imagery of the areas designated on the Sector Map

in Whatcom County Contract #202111037. In the event that Pictometry is unsuccessful in capturing certain sectors within the flight area, Provider will receive a credit from Pictometry and an equitable proportioned credit will be applied to the impacted Customer's second year payment.

**5.6 Annual Support and Maintenance:** Pictometry will provide desktop software and imagery maintenance and support for a period of two years from the initial date of shipment. At the end of the two years, an additional annual fee might be required for continued technical support and software updates. Provisions for these costs are beyond the scope of this Interlocal Cooperative Agreement.

## **6.0 AGREEMENT TERM AND TERMINATION**

**6.1 Agreement Term:** This Agreement commences upon execution by signature of both parties and shall terminate three years after the date of product acceptance between Provider and Pictometry.

**6.2 Termination for Public Convenience:** Either party may terminate this Agreement in whole or in part upon 30 days written notice to the other whenever Provider or Customer determines, in its sole discretion that such termination is in their best interests. In the event this Agreement is terminated in accordance with this paragraph, the Provider shall be entitled to full payment for both years of the Pictometry Products.

## **7.0 MISCELLANEOUS AGREEMENT PROVISIONS**

**7.1 Invoices and Late Payment:** Provider will invoice Customer when products are delivered and accepted per the payment provisions in Paragraph 5.0 et. seq. above. Payment is due upon receipt of invoice by Customer and shall be paid 30 days thereafter. A late payment charge may be applied to any remaining balance 60 days after invoice. Late payment charges, if any, will be imposed on the unpaid balance at the rate of 1% per month. Agreements with balances more than 90 days past due may be terminated and services discontinued. Amounts disputed by Customer are not subject to late payment charges.

**7.2 Disputes:** Customer will promptly notify Provider of disputes regarding invoices, or of services which Customer believes do not conform to the agreed upon terms of this Agreement or Work Order.

**7.3 Venue and Choice of Law:** This Agreement has been and shall be construed as having been made and delivered within the State of Washington, and it is mutually understood and agreed to by each party hereto that this Agreement shall be governed by the laws of the State of Washington, both as to interpretation and performance. Any action in law, suit in equity or judicial proceedings for the enforcement of this Agreement or any provisions thereof shall be instituted and maintained only in the courts of competent jurisdiction in Whatcom County, Bellingham, Washington.

- 7.4 **Assignment:** This Agreement may not be assigned by either party to a third party without the prior written consent of both Provider and Customer.
- 7.5 **Waiver:** If a breach of a provision of this Agreement is waived for a particular transaction or occurrence, waiver for a similar breach in a subsequent similar transaction or occurrence may not be implied.
