Notice to the Public Regarding Title VI of the Civil Rights Act of 1964

WCOG hereby gives public notice that it is the policy of the agency to assure full compliance with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, Executive Order 12898 on Environmental Justice, Executive Order 13166 on Limited English Proficiency, and related statutes and regulations in all programs and activities. Title VI requires that no person in the United States of America shall, on the grounds of race, color, sex, or national origin, be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which WCOG receives federal financial assistance.

Any person who believes they have been aggrieved by an unlawful discriminatory practice under Title VI has a right to file a formal complaint with WCOG. Any such complaint must be in writing and filed with the WCOG Title VI Coordinator within one-hundred eighty (180) days following the date of the alleged discriminatory occurrence. Title VI Discrimination Complaint Forms may be obtained from the WCOG at no cost and are available on WCOG's website.

Aviso al Público Sobre Título VI de la Ley de Derechos Civiles de 1964

Por medio de la presente, el WCOG notifica de manera pública que la política del organismo es garantizar el pleno cumplimiento del Título VI de la Ley de Derechos Civiles de 1964, la Ley de Restauración de Derechos Civiles de 1987, el Decreto Ejecutivo 12898 sobre Justicia Ambiental, el Decreto Ejecutivo 13166 sobre el Dominio Limitado del Idioma Inglés, así como los estatutos y reglamentos relacionados en todos los programas y actividades. De acuerdo con lo estipulado en el Título VI, ningún individuo de los Estados Unidos de América deberá, con fundamento en su raza, color, sexo o nacionalidad, ser excluido de participar en, que se le nieguen los beneficios de, o ser víctima de discriminación en virtud de cualquier programa o actividad por el cual el WCOG reciba fondos federales.

Toda persona que se considere agraviada por una práctica discriminatoria e ilícita en virtud del Título VI tiene derecho a presentar una denuncia formal ante el WCOG. Cualquier denuncia de este tipo debe presentarse por escrito ante el coordinador del Título VI del WCOG dentro de un plazo de 180 días naturales a partir de la fecha de la presunta discriminación. El WCOG pone a disposición del público los formularios de denuncia del Título VI de manera gratuita en su página web.

WHATCOM COUNCIL OF GOVERNMENTS BOARD MINUTES – DRAFT MAY 8, 2018

IN ATTENDANCE:

MEMBERS VOTING: Jon Mutchler (Chairman), Ferndale; Scott Korthuis (Vice Chairman),

Lynden; Jack Louws (Secretary-Treasurer), Carol Frazey and Satpal Sidhu, Whatcom County; Kelli Linville, April Barker and Terry Bornemann, Bellingham;

Bonnie Onyon, Blaine; John Carter, Lake Whatcom W&SD; Tom Jones,

Nooksack; Kyle Christensen, Sumas; NON-VOTING: Larry Brown, Sudden Valley

Association; Pete Stark, WTA

GUESTS Terry Terry, CTAG; Justin Clary, Lake Whatcom W&SD; Eric Trower, Sudden

Valley Association

STAFF Bob Wilson, Ron Cubellis, Hugh Conroy

A. CALL TO ORDER

Chairman Mutchler called the meeting to order at 3:00 p.m. with a quorum present.

B. PUBLIC COMMENT

No public comment was received.

C. AGENDA APPROVAL

APPROVED BY UNANIMOUS CONSENT

D. MINUTES OF MEETING OF JANUARY 16, 2019

APPROVED BY UNANIMOUS CONSENT

E. APPROVAL OF CLAIMS

Mr. Louws moved, Mr. Sidhu seconded, to approve the list of claims from March 1 through April 30, 2019, inclusive, in the amount of \$363,419.10, which was contained in the meeting packet sent to the representatives on May 1, 2019, and which was audited and certified by the Executive Director, acting as the Auditing Officer as required by RCW 42.24.090.

MOTION PASSED

F. BUDGET REPORT

Mr. Cubellis presented the budget report as of April 30, 2019.

Council Board Meeting May 8, 2019 Page 2

G. OLD BUSINESS

None

H. NEW BUSINESS

1. Public Utility District No. 1 Request for Ex-Officio Membership on the Whatcom Transportation Policy Board

MOTION: Ms. Linville moved, Mr. Christensen seconded, to approve the request of Public Utility District No. 1 for ex-officio membership on the Whatcom Transportation Policy Board.

MOTION PASSED

2. Amendment to the Bylaws and Procedures of the Whatcom Metropolitan Planning Area Transportation Planning Process

MOTION: Mr. Louws moved, Mr. Bornemann seconded, to amend the Bylaws and Procedures of the Whatcom Metropolitan Planning Area Transportation Planning Process, as presented.

MOTION PASSED

3. Amendment to WCOG's Americans with Disabilities Act (ADA) Policy

Mr. Cubellis explained the need to update WCOG's ADA Policy.

MOTION: Mr. Korthuis moved, Mr. Jones seconded, to amend the Whatcom Council of Governments' ADA Policy, as presented.

MOTION PASSED

4. Amendment to WCOG's Complaint Policy

Mr. Cubellis explained the need to amend the Complaint Policy and answered questions posed by the representatives.

MOTION: Mr. Korthuis moved, Ms. Onyon seconded, to amend the Whatcom Council of Governments' Complaint Policy, as presented.

MOTION PASSED

5. Amendment to WCOG's Title VI Plan

Mr. Wilson explained that during a recent meeting with WSDOT's Public Transportation Division, staff was made aware that WCOG had not submitted an annual Title VI (of the Civil Rights Act of 1964) compliance report to WSDOT since September of 2017, which

Council Board Meeting May 8, 2019 Page 3

was prepared by Mary Anderson – who served as WCOG's Title VI Coordinator – immediately before she left to take a position at WTA. It was also brought to our attention that WCOG's Title VI Plan had not been updated since 2013. To correct these oversights, Mr. Wilson agreed to submit an annual compliance report to WSDOT in July for the period August 2017 through June 2019; to make certain revisions to the current Title VI Plan, and; to undertake a thorough update of the Title VI Plan by December 2019.

MOTION: Mr. Louws moved, Mr. Korthuis seconded, to amend the Whatcom Council of Governments' Title VI Plan, as presented, acknowledging that the Plan will undergo a thorough review and update no later than December 31, 2019.

MOTION PASSED

I. EXECUTIVE DIRECTOR'S REPORT

In the interest of time, Mr. Wilson declined the opportunity to provide a report.

J. CORRESPONDENCE

Mr. Wilson directed the representatives' attention to a thank you card from WTA in recognition of the work performed by WCOG's Mobility Programs' staff on the Seventh Grade Bus Program.

K. BOARD OPEN FORUM

No comments were offered.

L. ADJOURNMENT

There being no further business, the meeting adjourned at 3:32 p.m.

The Council Board retroactively approves the payments made during May through September 2019 for the above listed claims in the total amount of: \$694,732.81*

Board Officer	Title	Date

MEMORANDUM

To: The Council Board

From: Bob Wilson, Executive Director

Date: October 2, 2019

Subject: **Proposed 2020 Budget – First Draft**

Attached to this memo please find the first draft of the proposed 2020 Budget for your review prior to the Council Board meeting next week. I draw your attention to the following:

<u>Dues.</u> Dues are determined using both population and the average cost-of-living adjustment (COLA) of the member jurisdictions. Annual population change is drawn from Office of Financial Management estimates for Whatcom County, the seven cities and the Lummi Nation. For the purposes of this draft budget, the 2.63 percent COLA that the staff is receiving this year is used as an estimate for 2020 (in accordance with the Council Board's budget guidance of September 17, 2008). The Port's dues increase is the average increase of the nine jurisdictions. When the members' 2020 COLAs are determined in the fall they will be averaged and incorporated into the final draft of the budget that will be presented to the Council Board in December.

Salaries. Program Specialist I Michelle Grandy will be promoted to Program Specialist II effective January 1, 2020. Also, Planner II Jaymes McClain will receive an adjustment within his salary band to bring his salary into line with similar positions around the state. No other salary adjustments beyond the COLA and annual step increases are called for in 2020. All staff members except me will receive step increases, and everyone will receive the COLA. It should be noted, however, that Susan Horst, Kirsten Wert and Michelle are permanent part-time staff (56.5, 80 and 75 percent time, respectively), and the amount of their increases – as well as that associated with Michelle's promotion – will be prorated accordingly.

Michelle's promotion, Jaymes' salary adjustment, the COLA and step increases represent an aggregate increase in 2020 salaries of \$47,002, or 6.2 percent.

<u>Employee Benefits.</u> The COG's 2020 expense for all employee benefits – health insurance, retirement, workers' compensation, etc. – is expected to increase next year by 5.6 percent. While the anticipated increase in our health insurance premium is less than one percent, it is the increases in WCOG's retirement contribution and our unemployment insurance tax that constitute the bulk of the overall benefit expense for 2020.

<u>Consultants</u>. The 2020 consultant expense is anticipated to decline by about \$226,000, to \$391,437, as several current projects wrap up this year.

Please don't hesitate to call Ron or me if you have any questions. We look forward to discussing the draft 2020 Budget with you next week.

Proposed Transportation Funding Requests 2020

For the consideration of the Board of the Whatcom Council of Governments
October 9, 2019

MEMORANDUM

October 2, 2019

TO: The Council Board

FROM: Bob Wilson, Executive Director

RE: Proposed Regional Transportation Funding Priorities for 2020

The following transportation funding requests have been submitted by WCOG's member jurisdictions for inclusion in the list of *Unfunded Transportation Needs of Whatcom County*, 2020, for which Tom Parker and I will advocate in the short 2020 State Legislative Session. Be aware that, unless the requesting jurisdiction requested their removal, projects included in the 2019 list are also included here for your consideration for the 2020 list.

REGIONAL ROAD PRIORITIES

1. Grade Separation Rail-Traffic Solution at State Route 548 (Blaine) – The U.S Department of Homeland Security's "VACIS" rail freight-car inspection array is located alongside BNSF Railway's tracks immediately south of the City of Blaine's southern limit. While the VACIS is in operation, freight trains must slow down to a virtual crawl, which has the unintended effect of blocking the busy intersection of Peace Portal Drive and Blaine Road (both of

Traffic backed up on State Route 548 due to VACIS inspection.

which are links of State Route 548).
Back-ups typically last 30 minutes or longer, severely affecting school bus schedules and, more importantly, potentially cutting off the neighborhoods to the west of the intersection from first responders.
These back-ups also impede throughtraffic to and from the City's commercial and industrial districts and disrupt flow on and off Interstate 5 at Exit 274.

A grade separation at this intersection would enhance public safety, promote economic development and support the efficient movement of goods between the U.S. and Canada along Whatcom County's northern border, which amounted to approximately \$16.6-billion (USD) in 2017. **Request: \$24-million**

2. West Horton Road Multi-modal Corridor Extension, Phase 2 (Whatcom County) – This project – located in Bellingham's Urban Growth Area – would be carried out as a partnership

between the City of Bellingham and Whatcom County. It would extend West Horton Road a half-mile west – from Aldrich Road to Northwest Avenue – as an arterial street with sidewalks and bicycle lanes, and a roundabout at the intersection of Horton and Northwest. Land acquisition, off-site mitigation and minimizing the road footprint will be necessary to address anticipated environmental impacts.

Request: \$16-million.

- 3. Northwest Drive/Smith Road Roundabout (Whatcom County) This project calls for the construction of a roundabout to ensure that this intersection which is projected to experience a significant increase in traffic volume will operate at an acceptable level of service in the future. This project will incorporate safe-pedestrian paths that meet the requirements of the Americans with Disabilities Act, provide bike lanes, upgrade the lighting, and improve site drainage as required by the Department of Ecology. Request: \$5-million
- **4. Birch Bay-Lynden Road/Blaine Road Roundabout** (Whatcom County) This project calls for the construction of a roundabout to ensure that this intersection which is projected to experience a significant increase in traffic volume will operate at an acceptable level of service in the future. This project will incorporate safe-pedestrian paths that meet the requirements of the Americans with Disabilities Act, provide bike lanes, upgrade the lighting, and improve site drainage as required by the Department of Ecology. **Request: \$5-million**
- **5. Mosquito Lake Road/ Hutchinson Creek Tributary Fish Passage** (Whatcom County) The existing 30-inch diameter concrete culvert at this location was damaged in early 2018, with a temporary repair made later that year. This culvert has been identified as a barrier to fish passage, and the County currently deems it to be the fish passageway most imminently vulnerable to a catastrophic failure. **Request: \$1.5-million**
- **6. Marine Drive Improvements** (Blaine and the Port of Bellingham) Marine Drive is a regional treasure, with expansive views of Semiahmoo Bay and Drayton Harbor. It also serves as a section of the breakwater for Blaine Harbor, which contains an important commercial and recreational marina. In 2016, Reid Middleton, under contract with the Port of Bellingham and the City of Blaine, did an alternatives analysis for completing the last phase of Marine Drive (approximately 1,400-feet long). The project limits are from the

western edge of Gate 3 in Blaine Harbor to the Fisherman's Pier at the end of the road. Marine Drive within the project limits is a narrow roadway constructed on fill. The shoreline slopes of the roadway are protected by rip-rap, concrete rubble, and timber bulkhead structures in varying conditions of decline. There is erosion, settlement and loss of roadway in this area. The western end of the roadway, adjacent to Fisherman's Pier and the timber bulkhead where the road narrows, is in

particularly poor condition. Since 2015, the road has been closed to vehicle traffic in this area and is open only to pedestrians and pier maintenance vehicles. As one of the only piers that allow for vehicle access in the state, this project will enhance access for recreation for both City residents and visitors. After an extensive public process, a preferred alternative was selected that would reopen the road and provide improved access for bikes, pedestrians and disabled persons. The Port of Bellingham, whose bulkhead supports the south side of the road, and the City of Blaine are partners in this project. **Request: \$3-million**

7. Bradley and Line Roads Corridor Arterial

Improvements (Lynden) – This section of the City arterial road system is a critical link between Lynden High School and Lynden Middle School. Line Road is 24-feet wide with no bike or pedestrian facilities, and Bradley Road has a widened shoulder on one side, offering limited protection to pedestrians. The City reconstructed a \$1-million initial section of Line Road fronting the Middle School in conjunction with the school's opening, but project costs and complexities

Line Road with no bike or pedestrian facilities (looking north toward new Middle School)

have prevented the completion of the full corridor. The City has completed 50 percent

Project Location

design-level plans for this corridor completion project. This corridor is also a new WTA route, and thousands of recreational vehicles use it to visit the nationally-acclaimed KOA campground on Line Road. The East Lynden residential community primarily served by this corridor is growing by about 100 homes a year.

This project would construct the final ¾ miles of this all-weather arterial roadway, including bike lanes and ADA-compliant sidewalks to enhance walkability and safely convey school children to and from the surrounding residential neighborhoods. It would also replace an old and undersized culvert under Line Road near the campground

that drains into Kamm Creek. Finally, the project will also incorporate stormwater treatment facilities to protect water quality in Kamm Creek and the Nooksack Basin (WRIA 1). **Request: \$3-million.**

8. Duffner Ditch Culvert Replacement (Lynden) – This project would replace the existing twin 48-inch concrete culverts with an 18-foot by 6-foot by 130-foot box culvert. It is currently at the 60% design level and is fully permitted, as it is included in WSDOT's plan for the widening of State Route 539 (Guide Meridian) funded by the Connecting Washington program. All necessary right-of-way for the project has been obtained. This culvert is on WSDOT's "Fish Passage Barrier" list and requires corrective action per the Federal Court Injunction. Replacement of these culverts in advance of the larger Guide widening project would allow the Guide project to be completed with fewer impacts to International, State, Regional, and Local Commerce and reduce the risk of flooding in this area.

Request: \$3.4-million

REGIONAL TRANSIT PRIORITIES (listed in order of priority)

1. Operating Support for Regional Transit Service (Whatcom Transportation Authority) – Based on a model developed by the North Sound Transportation Alliance (also known as "The Farmhouse Gang"), the three northwest Washington transit systems – the Whatcom Transportation Authority (WTA), Skagit Transit and Island Transit – operate a coordinated set of services linking the five northwestern counties of Whatcom, Skagit, Island, San Juan and Snohomish. This includes express service provided by WTA, linking Bellingham Station to Skagit Station in Mt. Vernon with continuing service provided by Skagit Transit to Everett Station. Similarly, service operated by Island Transit and Skagit Transit allow residents of Island, Skagit and San Juan counties to access services in Bellingham through the connection at Skagit Station.

To provide these linkages, all three systems operate outside the boundaries of their individual service areas. The current funding source is a mix of local funds and competitive grants. This funding model is unreliable and unsustainable, and it threatens the viability of these critical regional transportation services, which advance the State's interests by relieving congestion, supporting economic development and improving mobility, especially for Washington's transportation-disadvantaged population. A dedicated and reliable source of operating funding to sustain and enhance extra-regional services like the WTA/Skagit/Island County Connector service is requested. Request: Ongoing operating support in an amount to be determined by the Legislature

2. Bellingham Station Expansion (WTA) – WTA has developed design concepts to expand its station in downtown Bellingham, which was built in 1980 with ten bus gates. Bellingham Station is at capacity and must be expanded to build out the High-Frequency Transit Network (WTA's GO Line services) and to support transit service to the rapidly-developing Waterfront District. The station would be expanded by adding a passenger concourse and four bus gates in

the Railroad Avenue right-of-way to the southwest of the existing station. The new gates would accommodate articulated coaches and provide charging for electric buses.

Request: \$4-million

3. Support for Transit Electrification (WTA) – The cost of an electric bus and charger is double that of a standard diesel coach. With a fleet of 61 coaches – at up to \$550,000 per coach – the unfunded marginal cost to WTA of electrification would be up to \$35-million over 10 years. There is significant pressure on Washington's transit systems from the State to move to an electric bus fleet. This should be accompanied by a commitment from the Legislature to assume the costs associated with this important environmental initiative. Request: **Capital support in an amount to be determined by the Legislature**

SUGGESTED MOTION: Move to adopt the list of Unfunded Transportation Needs of Whatcom County, 2020.

Slater Road and Bridge Project

PROJECT DESCRIPTION and SUMMARY

Type of Project: This Road and Bridge project investment will have significant safety, transportation, and economic impacts in Northwest Washington: including, Whatcom County, the City of Ferndale, the City of Bellingham, the Cherry Point Heavy Impact Industrial Zone, and on the Lummi Indian Reservation. This is an eligible roadway and bridge project under Title 23, United States Code. The Slater Road project will elevate 1,900 linear feet of roadway above flood stage and replace the undersized culverts carrying Tennant Creek flows under the roadway with a new bridge span.

Location of Project: Slater Road is located in Whatcom County, Washington and borders the northern boundary of the Lummi Indian Reservation (Reservation) west of Ferndale Road. Slater Road directly serves Whatcom County rural residential and agricultural areas, the City of Ferndale, the Reservation, the Cherry Point Heavy Impact Industrial Zone, and the County-operated Lummi Island Ferry Terminal (located on the Reservation). The City of Bellingham is served indirectly via residential and commercial traffic to and from the city. The project area is within Washington's 2nd Congressional District.

Funds Requested: \$19,000,000.00

Project Overview:

The project consists of flood-proofing approximately 1,900 linear feet of Slater Road in rural Whatcom County by raising the roadbed by twelve (12) feet above its current elevation (see road profile below). The specific section of Slater Road proposed for elevation crosses Washington

State Department of Fish and Wildlife property but is within a Whatcom County road right-of-way.

Slater Road traverses the Lower Nooksack River floodplain, and crosses the river's main channel and Tennant Creek in the immediate vicinity of the proposed project. This portion of the Lower Nooksack River floodplain consists primarily of a large wetland complex with several tributary streams. The adjacent wetlands and floodplain drain into Tennant Creek via overland flow, subsurface flow, and drainage ditches, generally extend north and south from Slater Road, and are connected by two 10-foot diameter culverts under Slater Road. The floodplain around the project location is generally bowl shaped, with the low point (Tennant Creek) at an elevation of approximately 10 feet above mean sea level (MSL).

The Veteran's Day 1990 flood (pictured below) was typical of a severe Lower Nooksack River flood. This 50-year flood event closed five roads in the area, including Slater Road.

By raising Slater Road twelve (12) feet for the approximately 1,900 linear feet that are most prone to flooding, often annually, crucial all-weather access to key residential, commercial, and industrial centers and critical facilities in the area will be secured, and the flood-caused bypass traffic congestion through the City of Ferndale will be eliminated. The project would also enhance Slater Road's ability to handle the increasing regional and local freight and passenger vehicle traffic through the local area. The investment in Slater Road is necessary to improve safety; maintain the long-term structural integrity of the roadway; preserve the economic and environmental vitality of the Lummi Nation, the City of Ferndale, and Whatcom County; and provide for the predictable movement of goods and people during flood events.

Project Location:

The section of Slater Road proposed for reconstruction and elevation lies between the Slater Road Bridge over the Lower Nooksack River and north-south BNSF railroad tracks. The easterly limit of the project is approximately one mile west of I-5 Exit 260.

Transportation Challenges:

Slater Road is the primary roadway for access to the Lummi Indian Reservation, Lummi Island (via the Ferry Terminal located on the Reservation), and the Cherry Point Heavy Impact Industrial Zone. Portions of Slater Road are periodically closed or restricted to limited use on an annual basis due to floodwaters. Floodwaters over Slater Road frequently closes this roadway for several days at a time during "routine" flood events, with more

extreme events such as the 1990 flood closing facilities for longer periods and requiring extensive post-flood repairs. Floodwaters can also overtop Slater Road very suddenly, creating safety hazards for motorists caught off-guard.

The photo above shows water ponding along Slater Road from the Washington State Fish and Wildlife parking lot to the south. Ponding at this location can submerge one lane for as long as week. Sometimes the water will recede off the roadway, only to have a heavy rainstorm cause

the water to cover parts of the road way again. Much of the time during flood events Slater is open to traffic, but will still be overtopped.

.This frequent and sustained flooding severely and regularly limits access to the many communities and business areas served by Slater Road.
