Mr. Wilson explained that during a recent meeting with WSDOT’s Public Transportation Division, staff was made aware that WCOG had not submitted an annual Title VI (of the Civil Rights Act of 1964) compliance report to WSDOT since September of 2017, which
was prepared by Mary Anderson – who served as WCOG’s Title VI Coordinator – immediately before she left to take a position at WTA. It was also brought to our attention that WCOG’s Title VI Plan had not been updated since 2013. To correct these oversights, Mr. Wilson agreed to submit an annual compliance report to WSDOT in July for the period August 2017 through June 2019; to make certain revisions to the current Title VI Plan, and; to undertake a thorough update of the Title VI Plan by December 2019.

**MOTION:** Mr. Louws moved, Mr. Korthuis seconded, to amend the Whatcom Council of Governments’ Title VI Plan, as presented, acknowledging that the Plan will undergo a thorough review and update no later than December 31, 2019.
